## COMMENTS FROM THE TOWN MANAGER'S OFFICE

There was a very small group at the special town meeting held Tuesday evening of this week. Judge Hastings was elected as moderator. Mr. Bailey, the Superintendent of Schools, gave the reasons for needing the money. The selectmen and treasurer were authorized to hire a sum not to exceed \$10,000 for the School Maintenance Account. The town will borrow the money this year and it will have to be paid back with money raised at the next annual town meeting.

The winter sand for the town is all put up behind the town garage. The town crew is putting up snow fence, and with the weather of the last few days it might be needed very soon. The snow that fell last Friday didn't stay on the roads enough to get the plows out.

Several people have mentioned the danger of children going to the fire station when a fire alarm is turned in. There is a great deal of activity at the intersection of Main St. and Broad St. with the firemen going to the station and the fire trucks leaving the station. I know it is a temptation for children to head for any place where there is a lot of excitement, but I wish the parents would caution the children of the danger of crossing the streets when a fire alarm is sounded.

The town is going to buy some pipe from the Portland Pipe Line Corporation for culverts and storm drains. The pipe is 12" and 18" diameter, in assorted lengths. The cost of the pipe is about one third the price we normally pay for culvert of that size.

## Fire Takes Bean Homestead, Chandler Hill

The home of Mrs. Mabel Robertson on Chandler Hill was burned flat Saturday evening. Only a car was saved. Loss was reportedly estimated at \$7500 with partial insurance.

## SUNDAY RIVER SKIWAY EXPANDS

Sunday River Skiway has made several important changes and improvements in its complex of slopes and trails. Extensive bulldozing and grading have given a new look to the area.

The novice skier will find the Rocking Chair slope newly bulldozed and widened to give him more latitude for his snowplow turns, and the Lazy River trail, running two miles from the summit to the base lodge, has been widened and graded so that it now offers the novice a comfortable descent from the summit with elbow room to spare.

The expert and intermediate will be gladdened by a rerouting of the upper Cascade Trail which bypasses the ledges and opens up a new section of the snow bowl to the east, making a wide loop and joining the original trail well above the top terminal of the lower lift.

For the beginner, the rope tow slope has been widened by moving the tow toward the foot of the lower Sunday Punch, the area's famed racing trail.

Already blanketed several times by early season snowfalls, Sunday River is ready once more for the heavy winter snows for which it has become so well known. Uel Gardner and his staff of instructors will return to man the Sunday River Ski School.

Vote "YES" for LEGAL CONTROL

NOVEMBER 6, 1962

Legal Control means State Control: Prohibition means bootlegging!  
Legal Control pays the State of Maine over \$9,000,000 annually in taxes.  
Legal Control benefits our aged and needy citizens.  
Legal Control helps to attract visitors to Maine "Vacationland."

Vote "YES" for LEGAL CONTROL — for LAW AND ORDER!

Prohibition does NOT prohibit!

QUESTION NO. 5

YES NO

"Shall licenses be granted in this city or town for the sale herein of malt liquor (beer, ale and other malt liquors) not to be consumed on the premises? (Beer and Ale to Take Out)."

20 SECONDS with the NAZARENE  
 "Be not deceived; God is not mocked; for whatsoever a man soweth, that shall he also reap." Every farmer believes this when the plants his crops. Every voter should realize this when he casts his ballot—or fails to do so. We will reap in the coming years as we sow on Nov. 6th. Let us sow wisely.

(Quotation from Paul, leader of the followers of the Nazarene.)

## GOULD ACADEMY

### Play Day

Recently Gould entertained tennis and archery teams from Kents Hill. Sixteen archers competed (8 of Gould's and 8 of Kents Hill) in a Junior Columbian Round—24 arrows apiece fired from 3 different distances—20 yards, 30 yards and 40 yards. Because of extremely cold weather, only 12 arrows apiece were fired from the 30 yard distance, in an effort to shorten the meet.

Scores were as follows:  
Kents Hills, 1387—Gould, 992.  
Team members for Gould were Diana Weatherby, Joan Boardway, Anne Thomas, Sylvia Smith, Elsie Grover, Beverly Kelley, Kathy Brown and Laura Sawyer. Anne Thomas was high scorer for Gould with a total of 165.

Tennis team members were Sandy White, Linda Nickerson, Joan Gillespie, Sue Gould, Sue Bartash, Chris Carswell, and Sarah Burgess. Kents Hill was victorious.

### Gould 0—Lisbon 7

Lisbon High came back strong in the final period to score the only T. D. of the game, after being outplayed by a fighting Gould eleven for the first three periods. It was a 60 yard march with John Beganny going around the Gould right end for a 6 yard touchdown.

run. Bill Fortin passed to Beganny for the extra point.

In the first half, the Huskies had Lisbon on the defense deep in their own territory most of the time. It was in the third period when Gould put on a drive that carried them to the one yard line with two downs to go. On the next play, a hard charging Lisbon line caused a Gould fumble which was recovered by George Ferguson of the winners. From then on the tempo of the game changed as Gould defense bogged down and Lisbon ripped off long gains to eventually score the winning T. D.

The final game of the season will be the big one here with Fryeburg Academy on Alumni Field this Saturday.

## C. P. S. NEWS

On Friday evening forty school patrolmen and their guests attended a social at Crescent Park School. Dancing, movies and refreshments were enjoyed. Chaperones were Mrs. Gunther and Mr. Heino.

On Wednesday, November 14, open house will be held at Crescent Park School and at the Primary School. The teachers of both schools will be in their classrooms from 7 p. m. to 9 p. m. Open house is being held in conjunction with American Education Week. The public is cordially invited to attend.

There will be a book fair at Crescent Park School from Nov. 8th to Nov. 16th. Books will be on display throughout the building for public as well as student interest.

The seventh grade from Mr. Hammond's room, Crescent Park School, presented a play, The Legend of Sleepy Hollow, with the seventh grade from Mrs. Elizabeth Lord's room as guests. The play was presented on Monday afternoon at 1:20. The cast for the play was as follows: Announcer, Phillippe Rolfe; Ichabod Crane, Robert Gilbert, village schoolteacher; Master Yost, Alfred Leighton, pupil; Katrina Van Tassel, Esther Conner, daughter of a wealthy Dutch farmer; Frow Van Tassel, Sylvia Kimball, Katrina's mother; Mynheer Van Tassel, Arnold Graves, Katrina's father; Brom Van Brunt, Larry Smith, Ichabod's rival; Hans Van Ripper, Jeffrey Brown, farmer; Frow Van Ripper, Bonita Machia, his wife; Farmer Van Til, Robert Lowell, a neighbor; Two Men, Carroll Bean, Delbert Bryant; a Woman, Susan Lovejoy; several children, various 7th grade students; a Minister, Michael Witter.

The Legend of Sleepy Hollow is a famous story written by Washington Irving. Ichabod Crane ruled supreme in his classroom, but his influence was abruptly cut off once the doors closed behind him. He was very much interested in winning the hand of Katrina Van Tassel, but we fear it was more because of her father's wealth than because of affection for her. At the same time as Ichabod's attentions were being exerted, his rival, Van Brunt, was taking care of the situation in a different way. The play is fast moving and is enjoyed by people of all ages.

## HOW TO CUT

## OIL HEAT COSTS

The Luce Oil Co.

offers six tips that can help  
you get more warmth from  
your heating oil dollar

1. Keep your oil burner clean. Today's Shell Heating Oil contains special additive FOA-5X. It helps keep critical burner passages free from clogging—to assure better firing.
2. Guard against tank rust. Shell Sonitor® anti-rust treatment helps protect your storage tank up to three full years, at no extra cost.
3. Check your thermostat location. If your thermostat is in a stairwell,

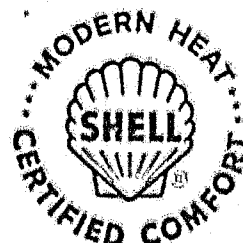

- on an outside wall or near an outside entrance—it may cause your burner to operate more often than necessary.
4. Shut off radiators or registers in rooms that aren't in regular use.
5. When fireplaces are not in use, make sure dampers are securely shut.
6. Keep attic ventilators closed during the heating season.

On Oct. 28th from 5 to 8 p. m. we had a hayride. Mr. Koskie drove the truck. A group of 24 members went on the ride to Songo Pond where we had a cook-out. We played a game and had some general singing. Kathy Clemons led the worship service.

There was a short business meeting. The chaperones were chosen for this Friday night's dance, and all other details concerning it were taken care of by the different officers.

Next week we will start our discussion of Home Missions and the M. Y. Fund. Martha Keniston as Christian Outreach Chairman will be in charge of this discussion. — Respectfully submitted, Kathy Clemons, Secretary.

### GAME DIVISION ISSUES 1961 DEER SEASON LEAFLET

The several factors influencing the 1961 deer kill in Maine are explored in a pamphlet just published by the Maine Dept. of Inland Fisheries and Game.

In a foreword, Fish and Game Commissioner Roland H. Cobb says, "It should be evident from this information that the apparent statewide scarcity of deer early last fall was just that—more apparent than real. In any event, a mild winter in 1962 brightens prospects for the forthcoming deer season."

The pamphlet, DEER SEASON—1961, was prepared by Assistant Professor Chester F. Banasiak, University of Maine, who is the deer research leader for the Fish and Game Dept.

Prepared for free distribution, the pamphlet is available by writing to the Game Division, Maine Fish and Game Dept., State House, Augusta, Maine.
